and the Louise  
Lost Ten Men  
of Them Be-

maniacs. The men  
were not only in  
physically, but they  
were that not  
from them as to  
by little, how-  
Manhattan had  
the hardening of  
It appears that  
at 7:30 last  
Cape Ann.  
a bit a stiff gale  
sea was running  
of the Palmer's  
the Gray was on  
in attempting to  
low hit her on the  
square off and  
sels to the wreck.  
out of the Palmer  
wreck, while the  
y was tangled in  
the Palmer and  
The vessel be-  
in a few minutes  
managed to lower  
no time to procure  
onal clothing. As  
speak they saw the  
same plight and  
any as could reach  
soul were in the  
hally pulled away,  
among those who  
ort time after the  
omers went down,  
when the vessel  
ers a battle which  
id four nights had  
the number and  
and of those who  
none was able to  
escaped.  
y was a compara-  
ble was built at  
nd was one of the  
in the coast. Her  
22 tons of bitumin-  
to this port. The  
tally insured but  
covered.
